Hi Jeff,

As you might remember, I'm the permit writer assigned to the MBTA Commuter Rail Maintenance Facility permit (MA0003590). You expressed concerns about **Ex. 5 Deliberative Process (DP)**

A minor update: a 308 letter was sent to the permittee on 3/2/2017 and I will be receiving information relevant to the permit's development at the beginning of June this year. I have been continuing to draft the fact sheet and permit conditions as well as double-checking information I already included in the draft permit materials in the meantime.

Please let me know if you have any questions or comments.

Have a great weekend. Thanks,

Thanks to Alex for chiming in!

Jeff, I hope this helps: I'm in the process of drafting the fact sheet for this facility and compiling all the sampling information, including Alex's, that's available to EPA. I am aware of t

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

. As Alex mentioned, last Wednesday (10/12) I conducted the second site visit to the MBTA CRMF. Please give me a call if you'd like more details on that.

Hi,

I'm an attorney in OES and I've been concerned about

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Can you tell me where you are in terms of NPDES permitting for this facility?

Thanks,
